A MINISTRY OF ACCOMPANIMENT—CONNECTING PEOPLE TO SERVICES AND SERVICES TO PEOPLE

## **Taller de José is looking for volunteers!**

Taller de José is an accompaniment ministry sponsored by the Congregation of the Sisters of St. Joseph. Taller de José is a resource center that connects people to services, offering personal attention and companionship to people who have difficulty navigating a complex social service system. Over 85% of our clients are Mexican immigrants. Located at 2831 W. 24<sup>th</sup> Blvd in the Little Village community of Chicago, Taller de José collaborates with other agencies to make social services more accessible to people in need. The staff of Taller de José is intergenerational, as “seasoned ministers” work alongside young adults to provide the service of accompaniment. (Go to [www.tallerdejose.org](http://www.tallerdejose.org) for more information.)

Taller de José is looking for religious women and men to serve as compañeras/os. Compañeras/os listen to clients to assess the services they need and accompany them in the process of finding resources. Volunteers must be proficient in Spanish and physically able to accompany clients via public transportation. This is a wonderful ministry experience for “retired” religious or people in formation who would like to work with immigrants.
